Don't Wait to Schedule Your Mammogram

All mammogram screenings are performed at Southside Regional Medical Center's Women's Imaging Center, located adjacent to the hospital on the second floor of the Medical Arts Pavilion.

The services provided by the Women's Imaging Center include:

- ☑ Screening Mammogram
- ☑ Diagnostic Mammogram
- ☑ Breast Ultrasound
- ☑ Breast Biopsies
- ☑ OB Ultrasound
- ☑ GYN Ultrasound
- ☑ Bone Density Screening (DEXA scan)

For more information, please call the Women's Imaging Center at **804-765-5379** or visit us at **SRMConline.com**.
