Southside Regional Medical Center is directly or indirectly owned by a partnership that proudly includes physician owners, including certain members of the hospital's medical staff.

### **Our commitment to physicians and their patients:**

- Next business day appointment for patients that need urgent care.
- Standard appointments within 3 business days.
- No wait time for qualified Hyperbaric Oxygen Therapy patients. Our hours will be extended in order to accommodate your patient when all our chambers are occupied.
- Communication about your patient's care via the attending physician dictation and full color discharge summary.
- Individualized treatment plan by the attending physician and clinicians with specialized training in advanced wound healing and Hyperbaric Oxygen Therapy.
